

Sven Drefahl

Curriculum Vitae

Last revision: July 1, 2023

Current positions

Main affiliation

2021 **Senior Lecturer in Demography**, Department of Sociology, Stockholm University, Sweden

Other current positions and service

2022 **Member of the Board**, German Demographic Association (Deutsche Gesellschaft für Demographie, DGD)

2020 **Member of the Scientific Advisory Board**, European Doctoral School of Demography (EDSD)

2018 **Member of the Department Board**, Department of Sociology, Stockholm University

2017 **Master Program Co-Coordinator**, Demography Unit at the Department of Sociology, Stockholm University, Sweden

2016 **Associate Editor**, Genus - Journal of Population Sciences

2015 **Guest Researcher**, Karolinska Institutet, Department of Environmental Medicine, Stockholm, Sweden

Academic career

Education and academic qualifications

2016 **Associate Professor / Docent**, Stockholm University

2015 **Associate Professor**, Italian National Scientific Qualification (art.16 of the law 30 December 2010, n.240)

2011 **PhD, Demography**, University of Rostock, Germany

Doctoral Thesis: *Death in the Family*

Supervisors: Prof. James W. Vaupel, Prof. Gabriele Doblhammer

2006 **European Research Master, Demography**, European Doctoral School for Demography, Rostock, Germany

2005 **Diploma, Demography, University of Rostock, Germany**
Thesis: *The Influence of Season on Survival in Persons Aged 105+ in Germany*
Supervisors: Prof. James W. Vaupel, Prof. Reiner Dinkel

Past positions and service

International research visits

Publications

Peer-reviewed journal articles

- Forthcoming **Kolk M, Andersson L, Petterson E, and Drefahl S**, The Swedish Kinship Universe – A demographic account of the number of children, parents, siblings, grandchildren, grandparents, aunts/uncles, nieces/nephews, and cousins using national population registers, In: *Demography*, Preprint available at:

Teaching

Current

2018 –

Event-History Analysis: Regression for Longitudinal Event Data, *Organizer*, 2018–2023: 35 classroom hours annually, Advanced level course, Department of Sociology and the Demography Unit, Stockholm University

2018 –

Quantitative Methods in the Social Sciences 1: Introduction into Regression Analyses, *Organizer*, 2022–2023: 50 classroom hours annually; 2018–2021: 23 classroom hours annually, Advanced level course, Department of Sociology and the Demography Unit, Stockholm University

2010 – present

Basic Demographic Methods, *Organizer*, 2021–2022: Organizer with 20 classroom hours annually, 2017–2020: Co-Organizer with 33 classroom hours annually, 2010–2016: Co-Lecturer with 7 classroom hours annually; Advanced level course, Department of Sociology and the Demography Unit, Stockholm University

Past

2009

2021

Population Processes, *Co-Lecturer*, 9 classroom hours annually, Advanced level course, Department of Sociology and the Demography Unit, Stockholm University

2017

2020

Systematic Reviews, *Organizer*, 2020 & 2017: Organizer with 18 classroom hours annually; 2018: Co-Lecturer with 3 classroom hours; Advanced level course, Department of Sociology and the Demography Unit, Stockholm University

2019

Event-History Analysis with Stata: Regression for Longitudinal Event Data, *Course Organizer with Gunnar Andersson*, 20 classroom hours, School of Governance, Law and Society, Tallinn University

2017

2018

Introduction into Quantitative Data Management and Statistics, *Organizer*, 2018 & 2017: 20 classroom hours annually, Advanced level course, Department of Sociology and the Demography Unit, Stockholm University

2013

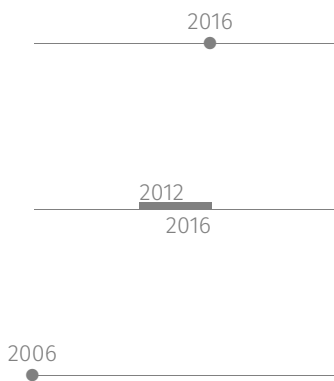

2018

Methods for studying the distribution of health, *Co-Lecturer*, 2018 & 2017: 8 classroom hours annually; 2016: 5 classroom hours; 2014 & 2013: 6 classroom hours annually, Advanced level course in Public Health Sciences, Karolinska Institutet, Stockholm

2012

2017

Advanced Demographic Methods 1: An Introduction to Event-History Analysis, *Co-Organizer*, 19 classroom hours annually, Advanced level course, Department of Sociology and the Demography Unit, Stockholm University

Event History Analysis, Course Organizer with Juho Härkönen and Eleonora Mussino, 21 classroom hours, Research department of the Swedish Public Employment Service (Arbetsförmedlingen)

Advanced Demographic Methods 2: Further Topics and an Empirical Project in Event-History Analysis, Co-Organizer with 17 classroom hours annually, Advanced level course, Department of Sociology and the Demography Unit, Stockholm University

The Theory of Mortality, Teaching Assistant, European Doctoral School for Demography, Rostock

Grants

2019 **Migrant Mortality Advantage Lost? Emerging Lifespan Inequalities Among Migrants and their Descendants (3,600,000 SEK ≈ 336,000 € for 2020-2023)**, Co-Applicant with Matthew Wallace (PI) et al., Swedish Research Council for Health, Working Life, and Welfare (Forte), Registration number 2019-00603

2016 **Ageing Well - Individuals, Families and Households under Changing Demographic Regimes in Sweden (18,000,000 SEK ≈ 1,834,000 € for 2017-2023)**, Co-Applicant and Work-Package Head - with Gunnar Andersson (PI) et al., Swedish Research Council for Health, Working Life, and Welfare (Forte), Registration number 2016-07115

Epidemiologic and demographic methods join forces: Strengthening public health sciences (3,130,000 SEK ≈ 319,000 € for 2017-2019), Co-Applicant with Anders Ahlbom (PI), Karin Modig, and Tomas Andersson, Swedish Research Council for Health, Working Life, and Welfare (Forte), Registration number 2016-00863

Preparing for the future old age population - Can declining disease risks counterbalance the burden on the health care sector? (3,280,000 SEK ≈ 334,000 € for 2017-2019), Co-Applicant with Anders Ahlbom, Karin Modig (PI), and Mats Talbäck, Swedish Research Council for Health, Working Life, and Welfare (Forte), Registration number 2016-00685

Invited presentations

2021 **Ongoing research on COVID-19 mortality and excess mortality in Sweden**, Center of Population Change, University of St. Andrews, St. Andrews, Scotland, UK

Group level mortality differences and excess mortality from COVID-19 among the adult population in Sweden, ARC Seminar - Aging Research Center, Stockholm, Sweden

- 2020 **Current trends in Nordic mortality**, *Australian National University - School of Demography*, Canberra, Australia
- 2019 **Nordic Mortality in the last 50 years**, *Intermezzo (Keynote) at the 21st Nordic Demographic Symposium*, Reykjavik, Iceland
- Mortality trends across the Baltic Sea**, *School of Governance, Law and Society, Tallinn University*, Tallinn, Estonia
- 2017 **Population Aging in Sweden: Demographic and Health Trends**, *Lecture for PhD course "Application of Epidemiological Approaches to Aging Research" at the Aging Research Center (ARC)*, Stockholm, Sweden
- Study Design in Demography**, *Forte Network Meeting on Methodological issues in register-based research*, Ystad, Sweden
- 2012 **Research with Register Data from Neighboring Countries: Denmark and Sweden**, *National SIMSAM Workshop on Register-Based Research*, Stockholm, Sweden
- 2011 **Long-distance Migration and Mortality in Sweden: Testing the Salmon Bias and Healthy Migrant Hypotheses**, *Statistics Norway*, Oslo, Norway
- The Era of Centenarians - The Mortality of Swedish Oldest-Old**, *Aging Research Center (ARC)*, Stockholm, Sweden
- The Era of Centenarians - The Mortality of Swedish Oldest-Old**, *Department of Sociology and Human Geography, University of Oslo*, Norway
- 2010 **Family Characteristics and Mortality: Evidence from Danish Register Data**, *Workshop on Register-based Demographic Research*, Stockholm, Sweden
- 2007 **How Old Can Humans Get?**, *Lecture for the Children's University Rostock*, Germany
- Causes and Consequences of Demographic Change in Mecklenburg-Western Pomerania**, *National Board for the Environment and Nature*, Rostock, Germany
- 2006 **Causes and Consequences of Demographic Change in Germany**, *Presented at a meeting of the Protestant Academy Mecklenburg-Western Pomerania*, Kühlungsborn, Germany

Conference Presentations

2008

2023

Annual Meeting of the Population Association of America (PAA), 2008 (New Orleans, LA), 2010 (Dallas, TX), 2011 (Washington, DC), 2012 (San Francisco, CA), 2013 (New Orleans, LA), 2014 (Boston, MA), 2017 (Chicago, IL), 2018 (Denver, CO), 2023 (New Orleans, LA)
